From the Collector of Bellary, Ref.C.No.18692/51-A.II, dated 8--5--52.

REFERENCE:

The Board submits herewith a copy of the reference cited, from the Collector of Bellary in which the Collector has stated that in the estate villages of Mallapuram, Singadevanahalli and Lakshmipuram, which have been taken over by the Government under Act XXVI of 1948, the Triune Officers are not able to cope up with the additional work now to be done by them and that the employment of one Talayari for each of these villages may therefore be sanctioned, to assist the Triune Officers. As noted in the Collector's reference, the collectable demand is Rs.1,053-9-0 in Mallapuram village, Rs.1,385/- in Singadevanahalli and Rs.709-3-9 in Lakshmipuram village.

2. On the proposals to employ Talayaris in certain villages in the Vizianagaram estate, the Government observed in their Memorandum No.1109-M/52-1, Revenue dated 5-3-52, that it would not be financially advisable to employ talayaris in villages where the collectable demand varied between Rs.600/- and 800/- as the cost of the village establishment itself would come to about Rs.400 and in G.O.Ms.No.1907, Revenue dated 3-7-52, sanction was accorded for the employment of Talayaris only for villages where the collectable demand exceeded Rs.800/-. According to the principle followed in these orders, Talayaris can be employed in the present case only for the two villages of Mallapuram and Singadevanahalli in which the demand is Rs.1,053-9-0 and Rs.1,385/- respectively. In Lakshmipuram village, as there are only 8 holdings, no separate Talayari is necessary for this village. The Board therefore requests that sanction may be accorded for the employment of one Talayari for each of the two villages. It also suggests that the Triune Officer of the third village, Lakshmipuram, for which no talayari is recommended, may be permitted to utilize the services of any of the two Talayaris now proposed to be sanctioned, for carrying land revenue remittances and for other similar items of work.

Copy of: Letter No.C.No.18692/51 A.II dated 8-5-52 from the Collector of Bellary to The Asst.Secretary, Board of Revenue (S.E)., Madras.

Sub: The Madras Estates Land(Abolition and Conversion into ryotwari)Act, 1948 - Bellary Taluk - Estates villages taken over - appointment of talayaris - sanction requested.

There are no talayaris for any of the three estate villages of Mallapuram and Singadevanahalli in Bellary taluk. The work in these villages is being attended to only by thetriune officers. There is an all round increase in work in these villages after extending the provisions of the Madras Act XXX of 1947 and XXVI. of 1948 to these villages. All the registers prescribed for Govt. villages have to be maintained in respect of Laxmipuram and Singadevanahalli villages which have been taken over by Govt. Both Reduced rents upto F.1360 and land revenue from F.1361 have o be collected in the case of these villages. It will not be ossible for thetriune officers alone to inspect the crops and submit he cultivation accounts to the Firka Revenue Inspector in time o attend to the collection of rents and land revenue remittances f these amounts are periodically into the Government treasuries nd maintenance of all the accounts that have been are being A rescribed by the Board for the estate villages. The work is ikely to increase in several aspects in the near future. I therefore request that thepost of a talayari may be sanctioned or each of the three estate villages mentioned above.
